

Join Our Online Community!

St Ignatius Parish—would like to introduce you to Realm® Connect, our online community! Realm® Connect offers some exciting opportunities to support the way you are involved in our church. Not only will this improve work life for our ministry staff, it will make it easier for our church family to connect with each other, keep up with what's going on, and grow as a connected community of believers.

WHAT IS REALM CONNECT?

Realm Connect is a real ministry tool.

Realm Connect is an online ministry tool designed for real time connection. It helps our church connect with you and you connect with us. If you consider yourself part of this church family, you'll love it. Realm Connect allows you to manage your personal information and who is allowed to see it, control your giving, and keep in touch with the groups that matter to you.

WHY USE REALM CONNECT?

Realm Connect strengthens church connections.

Being the church doesn't just happen at the church. Realm Connect helps us serve you better and leads this church well between Sundays. Everyone can be connected from anywhere at any time, right from our mobile devices. It engages everyone in the life of our church by supporting the healthy relationships essential to our church's mission. We'll stay organized, and you'll stay informed about all of the opportunities at St. Ignatius. When we share life together, we will grow together.

WHAT ABOUT MY PRIVACY?

Realm Connect is safe, private, and secure.

Your privacy is one of our greatest concerns. Realm Connect is only made up of the people in your church, it's not like a social network that's open to everyone. Realm Connect keeps your data safe and gives you control over what information you share and who can see it.

WHAT ABOUT GIVING?

Realm Connect gives you control over your giving.

Giving should be easy, and Realm Connect places giving right in the palm of your hands. You may set up recurring gifts, view your giving history, and make changes at any time. Realm Connect automatically records all electronic gifts and adds them to your giving record making it easy for you to give, and easy for us to track.

How to get connected is continued on back...

Get Connected:

On your computer, in your search address bar type in <https://onrealm.org/sipdx> this link will take you to the sign up for St Ignatius (sipdx) online Realm community. You will be asked for your email, a password (this is the password you will use to sign in each time) and there will be a few other questions and you are in!

After setting up your account, please log in and complete the few tasks below:

Update Personal Info

1. Follow steps 1 - 2 above and click **Edit Profile**.
2. On the **Personal Information** tab, complete or edit the fields displayed and click **Save**.
3. Feel free to enter your full birthday. The year and your age will not be displayed on your church profile.

Set Your Privacy Preferences

1. Log into [Realm](#).
2. Click your name in the upper-right corner, and select **My Profile**.
3. Click to the **Manage Privacy**.
4. Select a family member (if more than one).
5. Click one of the buttons above the line to apply that setting to all information in the profile, or click

Custom Privacy and select a setting for each field.

7. Watch video [here](#).

Add, Update, or Delete Your Photo

1. Log into [Realm](#).
2. Click person's icon (or your picture if you have one) on top right, and select **My Profile**.
3. Point to the image to the left of your name and click it.
4. Browse to the image you want to use and select it.
5. Adjust the image size using the slider and click Save.

To view your groups

6. Enter your Current Password and click **Save**.
7. Log in with your new account email.

This changes only your **login email**; if you have an email on your profile page, it will be unaffected. Your profile page information is what others in the church see (assuming your privacy settings don't prevent it). To change that email as well, you also need to update your contact information.

The smartphone app is called "Connect - Our Church Community" and is available for free download in the Apple App Store and Google Play Store.
